

MATERIAL FINES

Fines for all overdue print and AV materials owned by the Oak Creek Public Library will be \$0.10 per day. There will be a three (3) day grace period on items owned by the Oak Creek Public Library. Fines do not begin accruing until an item is three (3) days overdue. If an item is not returned by the close of business on the third day an item is overdue, the fines will accumulate from all days of the grace period. An initial charge of \$0.40 will appear on a delinquent users account at the beginning of business 4 days after an item is overdue.

Fines for items loaned on an hourly basis will be \$5.00/hour, up to a maximum of \$25.00. If items loaned on an hourly basis are not returned to the library service desk one half (1/2) hour before the library closes, the full replacement cost may be assessed to the delinquent patron's library card.

MATERIAL REPLACEMENT

The replacement cost of material will be the amount noted in the item record. If no amount is noted, the following fee schedule applies, plus an additional \$5.00 service charge.
