

Gaming Equipment Agreement

In order to use the Oak Creek Public Library gaming equipment, I agree/understand:

- That I have a MCFLS issued library card that must be valid and up-to-date. Library accounts must have less than \$5.01 in fines.
- That I will follow the library’s gaming and behavior policies. Copies of these policies will be supplied upon request.
- That use of the gaming equipment is available on a first come/first served basis, for a one-hour loan, and may be renewed for an additional hour as long as no other patron is waiting to use it.
- That gaming equipment may not be removed from the library, taken into the restroom, or left unattended under any circumstance. I understand that if the gaming equipment is left unattended this could result in the loss of gaming and/or library privileges.
- That during the duration that the gaming equipment is checked out, I am responsible for its safety and for any damage or loss that may result from accident, theft, misuse, or neglect.
- That gaming equipment will be returned only to library staff and will immediately report any loss or damage. Gaming equipment must be returned to library staff one half (1/2) hour before the library closes, even if that means the loan period is less than one hour.
- That if gaming equipment is not returned to library staff, fines/fees will accrue at \$5 per hour. If gaming equipment is not returned by one half (1/2) hour before the library closes, then the full replacement cost will be assessed to my library card.
- I agree to pay all costs associated with gaming equipment, or any associated equipment, if lost, damaged, or stolen.

By signing, I agree that I am legally bound to adhere to all parts of this agreement, for myself and any users I have listed:
