

Book & Craft-to-Go! Spring Theme: Paper St. Patrick's Day Shamrock Craft

Materials included:

- 2 eyes
- 1 Large shamrock
- 4 Small shamrocks
- 2 Paper Legs
- 2 Paper Arms

Materials you will need to provide:

- Crayon or marker
- Scissors
- Glue stick/glue

How to make your St. Patrick's Day Shamrock Craft.

Cut out the Shamrock.

Fold the strips for the arms and legs back and forth to create an accordion fold appearance.

Glue two shorter strips on either side of the large shamrock to form arms. Glue two longer strips at the base of the large shamrock to form legs.

Glue the two small shamrocks to the ends of the arms and the two small shamrocks to the ends of the legs.

Glue the two googly eyes to the large shamrock and use a marker to draw on a smile.
